## About Me

Hi, I'm Dani!  
A photographer specialising in visual storytelling for high-end hospitality and portraiture. With a decade of experience,

I capture the candid and raw moments. Having shot two weddings as a second shooter, I've fallen in love with the fast-paced storytelling of the wedding day. I'm looking to bring my lifelong background in portraiture my fun work ethic to help you capture every detail of your couple's big day.
